**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose Sonic because they provided gigabit fiber internet at competitive rates. AT&T and Comcast have steadily increased their price without bring additional speed. In addition, the above two firms (AT&T and Comcast) have opaque billing practices that have shown considerable improvement ever since Sonic arrived on the scene and this is a clear indicator that this additional competition is good for the customer.
